

The Connecticut Horse Shows Association, Inc. is celebrating the
13th Annual
CHSA FINALS HORSE SHOW
 August 23-25, 2019
 At Westbrook Hunt Club • Westbrook, CT

Dear

The CHSA FINALS horse show was created in 2007 with the mission to encourage our beginning and intermediate level riders to gain the experience and thrills of the much larger multi-day show circuit. For many of our members, this is a first time experience participating in such a large venue.

In keeping with this goal, some profits from this show will be put towards our scholarship fund which is distributed to deserving CHSA members going into college.

As a vital part of our equestrian community we are asking for donations in the way of class sponsorship, merchandise for special prizes and ads in our beautiful commemorative program book.

We thank you very much for the continued support of CHSA and the Connecticut horse show community.

Yours truly,

Peter Mann
 CHSA President
